## Hello From the Executive Director

What is significant about the month of February? Why are Black History Month, Presidents Day and Valentine's Day celebrated in February?

February is the birth month of President Lincoln and African American Abolitionist Frederick Douglass, which coincides with honoring Black History Month and Presidents Day in February.

Valentine's Day is a day of caring and thankfulness for people we care about. This holiday was created in ancient times.

As we honor these holidays let's remember to be kind and caring to others.

At Harbison Shores we are thankful for our residents, families and staff.

Elaine M. Till, CRCA, NHA  
Executive Director
